Dear Lucinda,

BSc (Hons) Equine Behavioural Science

Following the Awards Board held on 20th June 2023, I am writing to confirm the outcome of the Board:

BSc (Hons) Equine Behavioural Science, 2.1 Class

Your module and final transcripts are now ready to view on MyWi. Your graduation ceremony will be held on Friday 8th September 2023 and you will have previously been sent further information via WUC email of how to book for this event.

Many congratulations on the achievement of your award; it is the culmination of a great deal of work on your part and very best wishes for the future.

Writtle Graduates

Approximately 15 months from now, you will be contacted to complete a Graduate Outcomes survey. The survey is the biggest annual social survey in the UK and captures the perspectives and current status of graduates. Your response is invaluable as it adds to the collective voice of graduates and will give current and future students an insight into career destinations, and forms part of our requirement to return data to the Office for Students. To find out more about the survey go to graduateoutcomes.ac.uk.

Wishing you all the best on behalf of the Teaching Team.

Yours sincerely

Lorraine Horne
